Re: Wright v. County of Nassau, 07CV2368(ADS)(MLO)

Dear Counsel:

Document number 29, filed on July 2, 2008, Motion to Amend/Correct/Supplement the Caption, will not be considered because FED. R. CIV. P 15(a), for the amendment of pleadings, requires that leave of the Court be obtained by a fully briefed motion or by consent of the opposing party. In this instance, a letter motion is insufficient. In addition, Local Rule 7.1 provides that all motions must be supported by a memorandum of law.

You may refile these papers upon compliance with the applicable rules.

Very truly yours,

/s/
Law Clerk to Hon. Arthur D. Spatt
